COVID-19 Precaution

Universal Studios Japan is now operating at restricted capacity and fully implementing strict measures to prevent the spread of infection with the health and safety of its guests and park crew the highest priority. Guests at the park are ensured ample personal space and wait times for popular attractions are comparatively short. (*Wait times for each attraction can be checked in real time using the Universal Studios Japan Official App.) We also request that whenever possible, those planning on visiting the park make use of the online ticket store to ensure a smooth entry at the park entrance. Universal Studios Japan will always strive to provide guests the world's best entertainment through evolving measures and innovation and special experiences that give guests the energy and vitality for tomorrow.

The health and safety of our guests and team members have been and will continuously be our top priority at Universal Studios Japan and we are taking thorough sanitization enhancement measures in accordance with the "Novel Coronavirus Spread Prevention Guideline for Theme Parks and Amusement Parks" announced by the central Government and taking advice from health care authorities and medical experts. We will keep providing the guests a thrilling theme park experience where our guests can safely enjoy our entertainment offerings. Please note that exposure to COVID-19 is an inherent risk in any public location where people are present; we cannot guarantee you will not be exposed during your visit.
