QR code payment now accepted at the WEB Ticket Store, and sales at ticket booths to be discontinued.

Starting Monday, April 28, 2025, QR code payment ("d payment", "PayPay", "Merpay" and "au PAY") will be available as a new payment method when purchasing tickets (Studio Pass, Annual Pass, Universal Express, etc.) at the Universal Studios Japan WEB Ticket Store. (As before, credit card and convenience store payment are also accepted.)

When visiting the park, we encourage you to purchase tickets in advance through the increasingly convenient WEB Ticket Store. (Same-day tickets are available; however, please be aware that they may be sold out.)

Additionally, due to the enhancement of the WEB Ticket Store and the renewal of the Entrance Area, ticket sales at the ticket booth will end on May 6. Thereafter, tickets will no longer be sold on-site at the Entrance Area, so please purchase tickets through the WEB Ticket Store, Lawson Tickets (website/Lawson store "Loppi"), partner hotels (guests only), JTB or other contracted travel agencies.

We appreciate your understanding and cooperation.
