## Braille Guide

These guides provide information in Japanese braille and text regarding the park's attractions, restaurants, and shops.

They are available at Guest Services.

If you require one in advance, please call the Information Center.

## Tactile Map

Major facilities in Universal Studios Japan are indicated in Braille.

## Attraction Information

Universal Studios Japan defines the following terms as indicated below.

### Supervising Guest

Supervising Guests must be mentally and physically healthy persons of junior high school age or older and meet the attraction requirements.

### Unassisted Mobility Required

Guest must be able to walk without assistance.

## Height Requirement Symbols

Those who meet the height requirement may enjoy these attractions.

For height restrictions, please refer to the page for each attraction.

## Ride Restrictions Card

The Ride Restrictions Card is given to guests who have items such as headwear or wigs that cannot be removed due to physical or religious reasons for attractions where there are restrictions on wearing such items.

If you wish to receive a card, or if you have any questions about how to use it, please consult with the attraction crew members below.

- Hollywood Dream - The Ride
- Hollywood Dream - The Ride: Backdrop
- Space Fantasy - The Ride
- The Flying Dinosaur
- Jurassic Park - The Ride
- Snoopy's Flying Ace Adventure
- Flight of the Hippogriff™

## Guest Support Pass

If you have a disability that prevents you from being able to wait in line and you possess a handicapped person's passbook, you can use a Guest Support Pass.

You can spend the attraction wait time in places other than the waiting line.

Please speak to a crew member if you want to acquire a Guest Support Pass. Please be aware that these passes are for reserving an admission time, not for priority admission.

### Eligibility

Guests with a disability that prevents them from being able to wait in line, and possess a disability person's passbook.

\* The name of the applicant and the number of people in the applicant's party (up to 6) are printed on the ticket. Please arrive with all members of your party when getting a Guest Support Pass issued and when using attractions with the pass.

### Issuing Locations

Guest Services and the entrance to each attraction

\* Please arrive at the issuing area with your entire group.

### Items Required for Issuing a Guest Support Pass

- Handicapped person's passbook (one of the following): physical disability certificate, mental disability certificate, rehabilitation certificate, bomb victim's certificate, or war injury and sickness certificate
- A Studio Pass for each member of your group that is valid for the same day the Guest Support Pass is issued

### Other Conditions for Issuance

- 1 Guest Support Pass can be used for a maximum of 6 people (including the applicant).
- Please present your handicapped person's passbook at the issuing location.
- A Guest Support Pass will not be issued if we are unable to verify your handicapped person's passbook.
- If you have a disability that makes it difficult for you to wait in line for long periods of time but are not in possession of a handicapped person's passbook, consult with a crew member at the attraction you wish to use.

### Making Reservations at Attractions After Receiving the Pass

To make a reservation, arrive at the attraction entrance and show your Guest Support Pass to a member of the attraction's crew with all the members of your group present.

A crew member will explain the features and usage requirements of the attraction.

\* If you would like to cancel your reservation or change the number of people in your party, please notify the crew of the attraction for which you have reserved.

### Notices

- When you have a reservation for an attraction, you will be treated as if you were waiting in line for that attraction. You may not use other attractions during the waiting period.
- Requirements have been established for the attractions. Even if guests have obtained a Guest Support Pass, they must meet all attraction requirements to use an attraction.
- For safety reasons, we ask that guests requiring support and their accompanying guests use the attractions in pairs (of 1 guest requiring support and 1 accompanying guest). If there are fewer accompanying guests than guests requiring support, we may ask that one pair use the attraction while the other guests wait for their turn. Please be aware that there are no crew members stationed in the waiting area.
- Please be aware that we may limit admission to attractions depending on waiting time or capacity. Thank you for your understanding.
- The Guest Support Pass cannot be used for Power-Up Band™ Key Challenges (SUPER NINTENDO WORLD™). Guests with Guest Support Passes are required to wait with other Guests in the regular queue.

## Guests in Wheelchairs

Guests may remain in their wheelchair to experience some attractions. Please note that guests may be required to change to a designated wheelchair depending on the size and shape of their wheelchair or electric wheelchair. Moreover, the number of seats that can be occupied by wheelchair users is limited.

For details, please ask a crew member near you.
